

April 7, 2020

Dears,

Please be informed that effective immediately, Mr. Blake Gearhart has been appointed as the head of Powerhouse.

Blake Gearhart joined Atlas Copco in 2005. His position was Sales Manager West Region for Atlas Copco Portable Energy.

Blake completed his mission with Portable Energy In 2009. He then joined Atlas Copco Construction Technique Business Area in the position of High Pressure Business Development Manager. Blake was responsible for both high pressure compressors and hurricane boosters, with a global focus on international oil & gas companies

In January 2013, Blake became the Vice President Operations- West region for Atlas Copco Rental North America.

Prior to joining Powerhouse, Blake was the Regional Rental Manager from January 2018 to December 2019 for South East Asia and based in Singapore.

Respectfully.

Thierry Monart
General Manager
